

# JOIN OUR TEAM IN ALTONA!

Join us! Work with the best team, in one of the best Southern Health-Santé Sud facilities serving the vibrant community of Altona!

It can be a little intimidating moving to a new community, so we've put together some supports to provide a 'soft landing' for you in Altona.

In addition to the \$4,000 Conditional Grant that new graduates would receive from the Province of Manitoba, we offer extra incentives for nurses who accept a 0.6 time position or greater in our hospital.

These financial supports are available on a first-come basis. If you take advantage of all four incentives, the total value is \$7,000.

If you combine this support with the Provincial Conditional Grant, it adds up to a total of \$11,000 - a nice bonus for joining a great team and community!

The following financial supports are available:		Value	Number Available
